

Manage your health plan renewals quicker and easier online.

Now you can manage all of your UnitedHealthcare small business¹ renewals and other activities in one place with a streamlined, automated tool. Sales Automation Management (SAM) renewal follows the printed renewal package and mirrors the intuitive design of SAM Quote and Enroll making the process easier and more efficient.

SAM Renewal allows you to:

- View all ACR Small Business eligible renewals, including manual renewals.
- Renew “as is.”
- Select from pre-determined alternates or;
- Run alternate quotes and easily add new products.
- Submit census and enrollment changes.
- Quickly enroll employees and dependents on renewing plans.
- Receive plan change confirmation within 48 hours.
- Control the timing of your submissions according to your schedule.

To access SAM Renewal, log in to United eServices® (UeS) and click on the SAM icon.

Contact your UnitedHealthcare representative with questions or for more information.

¹ If any of the following situations apply to you, please continue to use your current system or process to renew your business: Groups that do not meet the state's definition of "Small Business;" businesses in District of Columbia, HI, ME, MN, MT, ND, NH, NJ, NV, NY, SD, VT; Any customer with LTD, STD or Supplemental Life; Off-cycle plan changes; Packaged Savings; All Savers; Oxford; Sierra; ACEC; ADP Total Source; Critical Illness Protection; Accident Protection. Note that business-to-business quoting using a third-party aggregator tool will not automatically populate in SAM.
